

Quilt

Design Sergio Bicego

Anno di produzione 2017

Production year 2017

[It] — Quilt è una linea di sedute dalle dimensioni generose e dalle cuscinature particolarmente morbide e avvolgenti. Il tratto distintivo del progetto è una trapuntatura esclusiva (disponibile tono su tono o a contrasto) che si sviluppa lungo i cuscini schienale e lungo tutta la struttura portante, ricreando un particolare decoro geometrico piacevole da ammirare da diverse angolature.

La sua eleganza disimpegnata e la sua anima contemporanea lo rendono particolarmente interessante per il sistema contract e accogliente nell'ambiente domestico.

Completamente sfoderabile.

Struttura

In legno con supporti in metallo imbottito con poliuretano espanso a quote differenziate (75IP e 25IM) e rivestita con velfodera accoppiata a resinato 100gr/mq.

Piedini

In metallo con finitura black nichel.

Imbottitura

I cuscini seduta hanno un'anima in poliuretano espanso a quote differenziate (40IM e 25IM) e sono realizzati in piuma d'oca lavata e sterilizzata suddivisa in scomparti, rivestita con tessuto di cotone bianco 100%, ricoperta da velfodera 250gr/mq.

I cuscini schiena sono realizzati in MOLLAPIUMA® suddivisa in scomparti.

[En] — Quilt is a line of seating characterized by generous sizes and cushioning that is particularly soft and comfortable. The distinctive feature of the design is the exclusive quilting (available in tone-on-tone or contrasting color versions) on the back cushions and all along the supporting structure, creating a particular and pleasant geometric decoration that can be admired from different angles.

Its candid elegance and contemporary spirit make it particularly attractive for contract furnishings and cozy for the home environment.

Fully removable covers.

Structure

In wood with metal supports padded with variable-density polyurethane foam (75IP - 25IM) and covered with velfodera bonded resin pressed 100gr/sqm.

Feet

Black nickel metal.

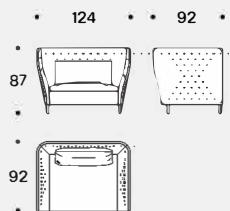

Padding

The seat cushions have a variable density polyurethane foam core (40IM and 25IM) and are in washed and sterilized goose down divided into sections, clothed with 100% white cotton fabric, covered by velfodera 250gr/sqm.

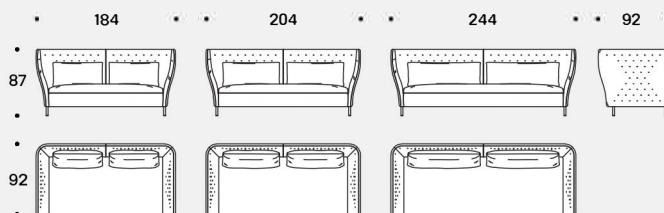

The back cushions are padded in MOLLAPIUMA® divided into sections.
