

BELL+ 30 P1 / design by Thomas Holst Madsen

Bell+ is a lamp that confronts our usual perception of lamps as something static. Thomas Holst Madsen has designed a contemporary lamp which is ideal for use in restaurants, cafés, hotels, retail stores, conference rooms and private homes. The simple suspension, the implementation of a bar on which the shade hangs and the addition of the tilting function has created a unique lamp. The distribution of light is essential to the design and the lighting effects generated through the sides and top of Bell+ were important design features from the beginning. Bell+ is more than a lamp!

Specifications

Product name:	Bell+ 30 P1
Type:	Pendant
Colour:	Oak-black
Item no.:	D10P130703
EAN:	57 09349 025143
Width:	30 cm
Depth:	30 cm
Height:	30 cm
Watt-Socket-Volt:	100W - E27 - 240V
Light source:	Excl.
Installation:	IP20, class II, 3m black textile cable, with canopy
Material:	Aluminium shade / oak wood bar

Colours

- D10P130702 Oak-white
- D10P130703 Oak-black
